

MEETING MINUTES FOR CAUCUS OUTREACH MEETING 1-19-08

Attendance: Tim Nuse, Les Treall, Jackie Dupras, Stephan Dagadakis, and Jeff Upthegrove

We discussed the Caucus Outreach Canvas Day, which will be Sunday, January 27th, at 11:00 AM. First we talked about locations for a meet up site, before and after. Tim is still looking.

We discussed which precincts to canvas. They will be prioritized by which have the most Democrats. Jackie will prepare the walking lists.

We discussed who we should try to reach and decided only to try to reach ID, LD, and SD houses.

We discussed what should be in the script. Tim will draft the script.

We discussed what we need for materials. Each team of “canvasers” will have: a clipboard with a walking list, script, voter registration forms, door hangers, newsletters, and a calendar with the dates of the LD, King County and State conventions.

We discussed how to recruit volunteers. Jackie will email PCO’s to recruit vols. Jeff is trying to get volunteers from the carpenters union including Spanish speakers. Tim will ask Tanya Aguilar for names of people in the Latino Voters Project. Les has contacted the list of caucus volunteers and has 6 people so far.

We discussed the need to look for potential caucus chairs while canvassing. Jackie will look for members in the precincts that we can ask, and we will ask the “canvasers” to keep an eye out for possible caucus chairs and try to recruit them. Tim will get information to Bill Schrier for an e-news posting.
