

Minutes from Outreach February 17, 2009

Attending: Les Treall, Lou Mayfield, Chris Weiss, and Steve Butts

Our main goal for tonight was to start formulating an action plan for this year

- We brainstormed events and organizations to be involved with
- We discussed ways to identify our volunteers when they are participating
- We assigned initial contacts with some organizations to those present and others not at meeting: West Seattle Food Bank - Steve Butts (and David Ginsburg), White Center Food Bank - Beth Grieser (ongoing), White Center Community Development Association - Les Treall, Delridge Neighborhood Development Association - Lou Mayfield (Kim Becklund), and The Burien Org - Chris Wiess.
