

34TH LEGISLATIVE DISTRICT DEMOCRATS

Burien Georgetown Pioneer Square SODO South Park West Seattle White Center Vashon/Maury Island

Chair's Message

Happy September Democrats!

What a wild time we are gliding through, right? We all watch as the Justice Department sorts through all the legal machinations required to assure that our 45th President is held accountable for all the damage he has caused in our country and for the outright robbery he committed as he left the Oval Office. I am encouraged daily that this will end with a legitimate outcome but still fear that somehow, he will get off scot-free. May justice and sanity prevail!

The election season - and all the messages, emails, tv ads, social media - is in full gear. Our endorsed candidate for King County Prosecutor - Leesa Manion - has been very active on the trail will all of King County to cover. Her race is likely the most crucial and possibly the tightest we will see this fall. Please encourage your friends, neighbors, and colleagues to vote for Leesa. Share your support on social media, sport a yard sign, whatever you can do to get her name out there for voters. We need this win in King County.

We will be making our endorsed candidate/initiative contributions at our September 14th meeting. Our budget is \$9000 but the board will be recommending under-spending this cycle, due to our overall financial status. [View our website](#) to see which candidates we can support and bring your ideas to the meeting.

Speaking of September 14th - **WHOA! It's our first IN-PERSON meeting in over 2 years!** I want to see all of your faces! There will be hugs, fist-bumps, hand-shakes, candidates, inspiration, memories, and more at this meeting. Oh, and sweets! What more could you want? PCOs will be recognized (yes, all of them who show up!) and receive their GOTV packets for the election cycle. I mean it - I want to see a packed house at the Hall at Fauntleroy. Come on out and get reacquainted with your Democratic neighbors. I'm so excited for this meeting!

Lastly, I want to all put out a plea for our Dr. Kim Schrier field trips in September. Details later in the newsletter but I really hope to see you on Saturday, Sept 10 and Sunday, Sept 25. Kim needs us working the doors in Covington. Let's be good neighbors and help save her seat. This is a race to watch on a national level and this is your opportunity to be a part of it. Are you with me?

Take care and see you IN PERSON on the 14th!

See You In-Person September 14th!

Yes, it is time! After 30 months (wowowowow!) We will all convene at the Hall at Fauntleroy for our monthly membership meeting! Doors will open at 6pm for socializing. The program (see the article) will begin at 6:30pm and the meeting will be called to order at 7:30pm. We will have some snacks, coffee, and water. There is no RSVP needed for this meeting but do plan to attend as we will be recognizing our PCOs as the neighborhood leaders they are. PCO GOTV materials will be handed out by PCO Lead Nick Bonazza and his team. Endorsed candidates will offer encouraging words to support their campaigns as they head into the final months.

Mark your calendar. This should be a good one.

September Program -

The NW Progressive Institute

Our September meeting will help us kick off GOTV for the general election. Andrew Villeneuve from the NW Progressive Institute will inspire us to participate in democracy. Learn more about the [NW Progressive Institute](#) on their website.

Mark Your Calendar! A Toast to Eileen Cody

November 9, 6 - 9pm - The Hall at Fauntleroy

Our final meeting of the year will be 3 hours to remember. This will be just one day after the election and we're hoping it will be a huge celebration. Beyond that we've got a great night planned. First, our caucus team will moderate a Pre-session Q&A with Senator Nguyen, Representative Fitzgibbon and Leah Griffin OR Emily Alvarado (depending on the election). We'll send out a link to submit questions next month.

We will open the meeting at 7:30pm with our 2022 Awards which will transition us to a toast to Representative Eileen Cody. We all need to show up to make this proper send off for Rep Cody after 28 years of service to our district. Mark your calendar and see you on Wednesday, November 9.

If you'd like to contribute in any way to this celebration, please email Gina Topp - our [fundraising and] events chair - fundraising@34dems.org.

Postcards to Voters!

Meet every Tuesday at C&P Coffee from 10:30-noon to write post cards encouraging people to vote. Contact **Kathy Rawle** for more information.

kategpr@gmail.com

Help Wanted - We Need You!

In the last few months of 2022, the 34th is in need of your support. We have several tasks that could use a hand. Please contact the chair if you are willing to help with these one-off needs.

- 1) September 8, 9 or 12 - Meet at the Chair's home for pizza and PCO packet-making! 2-4 hours is all that is required and... did I mention pizza??? 2-3 volunteers needed
- 2) September 14 - We'd like a few volunteers (3-4) to help with the welcome table at the membership meeting. This includes checking members in, helping with name tags and welcoming members.
- 3) Sept 15-25 - We need 3-4 volunteers to deliver PCO packets to homes. This will be 8-10 deliveries and you have 10 days to make it happen!
- 4) Month of October - 2, 2-hour meetings on zoom. The Awards committee, led by Chris Porter, will be soliciting nominations for our annual awards via google form. Members of the committee will review the nominations and determine who will be recognized at our November 9th meeting.

www.ounceswestseattle.com

Join a Field Trip Supporting Dr. Kim Schrier

We have worked with the DCCC (Democratic Congressional Campaign Committee) on a plan for the 34th to support Dr. Kim Schrier's re-election campaign. This is one of the most critical NATIONAL races this year. It will be a tight race, a battle to the finish. Dr. Schrier is running against Matt Larkin - a MAGA Republican. [Learn more about Larkin here.](#) We MUST keep the 8th blue folks. Join us in our support of this campaign.

On **Saturday, Sept 10 and Sunday Sept 25**, we will meet at Arbor Heights Elementary and travel in carpools to Covington. We will leave at 11:20am and join the group in Covington at noon. This is a targeted area for canvassing. We will meet the campaign at a Starbucks, get our walk routes and make sure everyone is ready to log their results in MiniVan. We will end the canvas at 3 and head home in our carpools. If you'd like to drive directly, that is also fine. The goal is to get **8 or more canvassers for each date**. Carve out some time and [sign up now](#). We may also do additional dates in October.

Unable to make it on our field trip dates? Look for other opportunities.

The campaign is also doing [phone banks](#) and [texting](#).

Sign up. Do Something!

Save the Date!

The **Social Justice and Equity Committee** is planning an event in October. This meeting will feature discussions of the experiences, and concerns, of AAPI community members living in the 34th LD...with the goal of finding solutions to engage our AAPI community members with voter registration, engagement, and inclusion.

Resolution Declaring and Responding to a Climate Emergency

Whereas in their February report, Climate Change 2022: Impacts, Adaptation and Vulnerability, the International Panel on Climate Change (IPCC) concludes that to hold warming to “well below” 2 °C, while “working to limit it to 1.5 °C above preindustrial levels,” global carbon dioxide emissions would have to peak by 2025 and emissions would have to be cut by between 30% and more than 40% by 2030; and

Whereas the IPCC found that our current emissions course, if continued unabated, will lead to warming of about 3.2 °C (5.8 °F) above preindustrial levels; and

Whereas existing and soon-to-mature technologies offer multiple opportunities for clean energy, energy efficiency, and decarbonization of hard-to-clean-up sectors of the economy; and

Whereas the IPCC concludes that the barriers to achieving ambitious emissions cuts are more social and political than technological, with scientists citing “opposition from status quo interests” as a key blocker of progress; and

Whereas governors across the country have declared emergencies for floods, drought and other natural disasters linked to changing weather patterns resulting in large part from climate change;

Now therefore be it resolved the 34th District Democrats urge Governor Jay Inslee to formally declare a state of climate emergency pursuant to The Stafford Act (§401) and ask the Biden administration for all the customary related recognition and financial relief that would be provided in any other declared emergency..

Be it further resolved Governor Inslee and the Washington State Legislature commit to a statewide mobilization effort to reverse global warming and the ecological crisis, which, with appropriate financial and regulatory assistance from State and Federal authorities, will end statewide greenhouse gas emissions as quickly as possible and no later than 2030 and immediately initiate an effort to safely draw down carbon from the atmosphere, ensuring a just and equitable transition for residents and accelerating adaptation and resilience strategies in preparation for intensifying local climate impacts.

Ballot Measure

YES - KC Prop 1 - Conservation Futures Levy

Vote YES on PROPOSITION 1: Highline Schools Bond

Please Note: The membership of the 34th LD Democrats will vote on endorsement of the Highline Schools Bond at our September meeting.

Public schools belong to the entire community, and students who graduate become adults who in turn support the community. That's why it's essential that we, as a community, support our Highline schools. You will have that opportunity on November 8 by voting to approve Prop. 1: the Highline Public Schools Bond.

Highline's Capital Facilities Advisory Committee (CFAC), a group of community volunteers, developed this bond plan to improve our school facilities so every student has access to a safe, modern learning space. The Highline School Board voted unanimously to place this bond on the November 2022 ballot.

This bond will:

- Rebuild Evergreen High School (68 years old)
- Rebuild Tyee High School (60 years old)
- Rebuild Pacific Middle School (63 years old)
- Replace Transportation building L (over 70 years old)
- Replace the dirt field and track at Sylvester Middle School with synthetic turf
- Make critical repairs and improvements at schools across the district

The bond amount is \$518 million, but there will be **NO INCREASE IN THE TAX RATE**

for property owners because of expiring school funding measures. Our aging schools were not built to current earthquake and fire standards, have multiple entrances that would be difficult to secure against an intruder, and are not able to support today's learning technology.

• **Voter support of our long-term capital facilities plan is critical** so our schools reflect the values and priorities of our community. We need schools that keep our kids safe and ensure graduates are ready to support our communities in the future.

• **Let's continue to work together to ensure every student in Highline has access** to every tool they need to be successful—the best way to do that is to VOTE TO APPROVE Highline Public Schools' Prop 1.

Demonstrators gathered to celebrate the anniversary of the enactment of Medicare outside of Columbia Center on July 29. Sponsored by Puget Sound Advocates for Retirement Action (PSARA), the crowd also included 34th Democrats members Steve Rubicz, Paul Huss, Karen Richter, and Roxanne Thayer. Members of Whole Washington were also present. Photo by Gareth Munger.

August Meeting Recap

Attorney and 34th member Rob Saka is active in police reform policy.

A Pre-Meeting Program on police reform was presented by the Law, Justice and Civil Rights Caucus. The talk was introduced and moderated by caucus lead **Bill Schrier**, delivered by 34th Democrats Member **Rob Saka**.

Rob is a cyber security attorney, a justice reform advocate, an air force veteran...and is currently on the Seattle police chief search committee. He was also a member of the commission to amend the County Charter in 2021. His talk focused on developments in local justice reform efforts. He calls the

Bill Schrier leads the Law, Justice and Civil Rights Policy Caucus

death of George Floyd, which reminded him of an unfortunate personal encounter he himself had with police, an event that still affects his on law enforcement. Another incident that impacted him was the Boston Marathon Bombing, an event he was participating

in, and the brave response by the police that day. He used those incidents to illustrate the good and the bad of law enforcement. Transparency, trust, and accountability are the keys to effective reform, and Rob explained how those principles are manifested in the King County Charter Amendments voters approved last year.

Watch this presentation, and the membership meeting [HERE](#)

Chair **Carla Rogers** kicked off the meeting from a hotel room in Boston, where she was attending a conference. Making the situation even more interesting, the hotel was evacuated due to a fire alarm, then further complications due connection issues also arose. Vice Chair Rachel Glass was at the ready to pick up the slack, and the meeting was conducted with minimal downtime.

Carla spoke of the recent primary races around the country, and here in Washington. The Trump effect was felt in the Republican primary contests, including the ouster of one of the Republican impeachment supporters Jamie Herrera Beutler in WA-03, leaving one of his extremist disciples going into the General Election. Marie Gluesenkamp Perez will be our standard bearer in that district.

Joe Fitzgibbon countered with encouraging news when he spoke. Our Democratic candidates did well on the state level and bucked a “Red Tide”. Voters rejected the GOP message, rewarding Democrats for getting things done both here and in DC. There is real fear of what the Republicans would do once they took back power, especially considering the recent Supreme Court ruling that striped away federal abortion protection.

The September meeting on the 14th will be in person at our old home at the Hall at Fauntleroy! Walk lists and canvassing materials will be distributed during the meeting. We go back to Zoom for October, then we meet again in person for the November 9th meeting, which is the day following the General Election. This will be the last meeting of the year, and at that time there will be a Q&A with the Legislators, the 2022 awards will be presented...and a special tribute to Eileen Cody is planned. A service project yet to be determined will take place in lieu of a December holiday party.

The Speak Up Forum question for the month asked whether there is interest in hitting the streets in our community to do sign-waving for raising public awareness of hot issues such as reproductive rights and gun control.

We endorsed King County Proposition 1 – The Conservation Futures Program Levy. This measure is on the November ballot and will restore the Conservation Futures Fund to its original level. It was enacted 40 years ago as a measure authorized by state law and enacted at the county imposing a property tax for acquiring and protecting forest, farmland, and other open space throughout the county. About 100,000 acres have been protected to date. But over the years, the tax rate has been decreased. Prop. 1 would re-fund the program at its original rate of 6.25 cents per \$1,000 of a property's assessed value in 2023, up from the current rate of 2.75 cents.

King County Executive **Dow Constantine**, who described Prop. 1 and spoke for the levy, stated that Prop. 1 “...will

Chris Porter makes observations following the pre-meeting program on police reform.

King County Executive Dow Constantine describes KC Prop. 1, which will continue the county's efforts in protecting undeveloped lands.

allow the county to do in a single generation what, at our current rate, would otherwise take us a hundred years to protect”. 66,000 additional acres that are identified as the highest priority and highest value properties in the county to protect for all time...easing stress to the environment while helping to ensure that citizens have easy access to natural spaces including parks and wooded areas.

The body also passed a resolution submitted by **Ann Martin** “Calling for Passage of the Local Journalism Sustainability Act”. This resolution is in support of an act introduced by Senator Maria Cantwell to stabilize and reverse losses of local newspapers and the investigative reporting they do. The State Party passed this resolution at the state convention in June...read it [HERE](#).

Two new PCOs were appointed: **Dorothy Gesick** in SEA 34-1480, and **Soleil Lewis**, who assumes leadership of Bernice Precinct in White Center. **Nick Bonazza** swore them in, then he laid out the GOTV plan. The kickoff for the 34th will be at the September meeting. We will also help re-elect Kim Schrier in WA-08, and 2 canvassing trips are scheduled for the 10th and 25th of September.

Report from the KCDCC August 30 Meeting

Endorsements were the bulk of the agenda for this meeting and since the list of items to go over was rather short our chair, Shasti Conrad hoped for a quick meeting...It didn't work out that way.

There was a pre-meeting event on how to vote, KCDCC uses a somewhat unusual method of voting via messages to a set group of tabulators that allows a close control of who votes. I did not attend this, I've gotten to know the drill.

Opening items

We started with a call to order, acknowledgment of tribal lands, and an approval (by acclamation) of the June minutes. That was followed by the Chair's report. Shasti congratulated everyone on what was by and large a great primary. She felt that it helped that the GOP put forth candidates that were too extreme for Washington voters, even conservative ones. She highlighted many of the Democratic successes at the polls. She says it was the best off-year primary in two decades. A couple of people are leaving KCDCC: Dean Fournier, leaving the area for retirement and Benton Coblentz, who's involved with endorsements and also Chair of the 11th is moving to DC to take a job with the Atlantic Council.

Next Hanna Floss spoke about opportunities to be an election observer. She also mentioned that King County Elections won an award for its observer program. Alexander Erickson of Coordinated Campaigns also spoke.

Treasurer's report

Next there was a budget update from Treasurer Melissa Taylor. Although revenues did not meet expected levels for the period KC Dems is financially sound with adequate reserves in the bank.

Endorsements

The Endorsement Committee gave a report explaining their process for endorsements now. All endorsed Federal and State-wide candidates advanced through the primary so there is nothing to do on this front. 34 of 36 Legislative candidates advanced through the primary also. So, the only thing KCDCC would potentially have is if an LD endorsed a new candidate, then KCDCC could potentially also endorse that candidate. No LD had done that at the time of the meeting.

Then a motion was made to endorse King County Even Year Elections. Since no one indicated a desire to speak against the resolution it was passed by acclamation.

Next a motion was made to endorse Seattle Rank Choice voting. Some background: Signatures were gathered to pass Approval Voting. However, when presented with an initiative that has the required number of signatures the city council has several options on what it can do. It can just pass it, or it can put it to the vote, or it can put it to the vote with an alternative option it picks. This last choice is the path the council decided to take. We had a guest speaker who was there to both speak for a potential motion and to also just provide info on how the two types of voting work. In addition to a discussion on the merits of the voting methods there was an extended discussion of how this will appear on the ballot. The gist of it is that there will be a yes/no vote on changing voting method, then will a second question where voters are asked to pick between Approval and Ranked Choice. When the discussion ended the KCDCC voted to endorse Rank Choice Voting. This had to get over a 2/3's vote because the endorsement committee did not take a position on the issue.

Resolutions

There were four resolutions to be considered by the body at this meeting and were passed as a slate by proclamation:

- In favor of Reinstating the Expanded Child Tax Credit
- To Save Our Democracy
- Calling for a Temporary Waiver of TRIPS Restrictions on COVID-19 Vaccines, Tests and Treatments
- In Support of "Conserve Our Futures": Vote YES on Prop. 1

Planning for general Election

Shasti discussed KC Democrats priorities for the fall general election. The primary activities will be supporting Representative Schrier and Lisa Manion.

We also received Information on the September Fundraiser and KC Democrats Summer Picnic in September 11th.
